Attention All Local Farmers, Artists and Artisans!

The Good Hart General Store in Good Hart, Michigan is calling on participants for the second season of Good Hart Market Days. The 2011 Market Days events will begin Saturday, July 2 and continue throughout color season. The event is from 2-6pm, every Saturday, and will be held in downtown Good Hart at the Good Hart General Store. All area farmers, artists, producers, and artisans are encouraged to participate.

Good Hart Market Days is a farmers and artists market encouraging both resident and tourist attendance. Marketing efforts are already underway to increase awareness and attendance.

There is again no fee to participate. All items required to set up your display area are your own responsibility including tables and chairs. The event will take place in the store's outdoor picnic area. We are hoping that this will allow local artists, farmers, etc. an additional outlet for selling their products and creations during the summer months.

We are welcoming local musicians to the scene as well. Should you know of anyone interested in performing at one of the Good Hart Market Days events, please have them contact us directly. We are happy to promote any performers CD sales and/or website via our own site.

We definitely hope that you will consider participation. A 2011 Participation Form is available for download on our website and also enclosed with this email. Please feel free to fill out the form and either mail, fax, or email back to us at your convenience. Participation forms are required for all vendors. Should you have any questions, I hope that you will contact me. I'm happy to answer any questions and help in any way that I can. Also included is a PDF flyer that you can forward to friends and family.

Thank you for your time and I speak for everyone at the store when I say that we definitely hope to see you this summer. Last year's event was a great success and we look forward to an even greater year in 2011.

Best Wishes,
